P R E C I S I O N

No thing is too small for attention,
no problem too large for solution.

A C H I E V E M E N T

To receive the highest recognitions
of our peers is honor. To earn the
thanks of our neighbors is reward.

*In the veins of autumn's first leaf
or a shell's design,
in eyes, muscles and bone,
we see each cell's division.*

The

The Sou

*It appears as sudden
as beating wings –*

*a stronger pulse, a hand
reached out, a hard-earned step
toward regained independence.*

COMPASSION

We see our neighbors sick, injured, afraid.

And, daily, we make lives whole again.

TRUST

There is a look in the eyes of a patient,

a husband, or mother – evidence they

believe we will do what is right and best.

COMMUNITY

This is work not just for the health of

individuals but of our entire community,

the place we all call home.

rice.

DISCOVERY

New people, new challenges, new ways
to see the world – they are the myriad of
daily wonders common to our lives.

VISION

To look forward and change gives us the
power to shape ourselves for tomorrow's
needs in our patients and our community.

STRENGTH

We build on a foundation already made
strong: our history of service, awards for
innovation, a commitment to new technology.

*Ideas, like babies, arrive
in pleasure and pain and confusion.
They are the thread that ties us
to the future, a thin bright cry
just come to life.*
